

**REMARKS/ARGUMENTS**

Claims 6-7, 9-17 and 20-23 are pending.

On December 9, 2004, the undersigned authorized an Examiner's Amendment in which claim 8 was cancelled, and the limitations thereof added to claim 6. However, the Applicant respectfully submits that the placement of the limitations of claim 8 into claim 6 by the Examiner should be amended. Specifically, the limitations of claim 8 refer to "the sensitivity". However, the Examiner's placement of the claim 8 limitations precedes the first recitation of "a sensitivity". Thus, claim 6 has been amended to move the claim 8 limitations to the end of claim 6, for proper antecedent basis. Claim 6 also been amended to correctly recite "doorways" instead of "doomays". Entry of the claim 6 amendment is respectfully requested.

Formal drawings are submitted herewith to correct the informalities of the informal drawings currently of record. Approval of the drawings is respectfully requested.

Payment of the issue fee shall be forthcoming at a later date in a separate submission.

Respectfully submitted,

GRAY CARY WARE & FREIDENRICH
